DEALER CHECKLIST

- ☐ Physically check to assure job site is safe and accessible for a 68' semi tractor-trailer, with a height clearance of 13'6". Be sure there are no low power lines, low overpasses, bridge or road weight or width limits, low hanging trees, hairpin curves, extreme grades, gravel or dirt roads or any other obstructions that will cause accessibility problems. There must be space for tractor-trailer to turn around (cul-de-sacs are a common problem).
- ☐ Arrange for two or more able-bodied people to unload the cabinets from the trailer to the residence. Driver(s) is responsible for tailgating the cabinets.
- ☐ UltraCraft reserves the right to refuse delivery to the job site. Fines or charges incurred as a result of a job site delivery will be paid by the Dealer, including two charges, repairs due to low power lines, over weight/over width restriction fines and damages to *any* property.
- ☐ Upon UltraCraft's notification of delivery, Dealer will make necessary arrangements to insure timely acceptance of delivery.
- ☐ Any damages must be reported within fifteen (15) days of receipt of goods.
- ☐ Job site delivery fee is $200.00 net.
- ☐ Any questions should be directed to UltraCraft Delivery Services.

If the above criteria is not met when driver arrives, future job site deliveries for Dealer location may be denied. Job site deliveries will be denied if the above-defined responsibilities are not met. The undersigned understands their responsibility and acknowledges the conditions of this application.
