CONTINUING EDUCATION CREDITS (CEU)

Who is eligible?

These credit hours are available to any person that requires Continuing Education Credit (CEU) for certain certifications (AKBD, CKD, CAPS, etc) or industry affiliations (AIA, NARI, NAHB, NCDIQ). These credit hours are approved by the NKBA; for other affiliations, please check with the proper departments within the respective association.

How do I receive credit for the CEU's?

Each association may be different for how to receive credit for CEU's. Please check with the respective association for guidelines. Ultracraft does not send any information to an organization; it is up to the person requesting the credits.

For the NKBA, the procedure for requesting the CEU's would be to log into the member center of the NKBA website, navigate to the "View My CEU" and on that page you can submit the CEU by clicking on the "CEU Reporting Form". From there, the information below is everything you need to complete the form.
